

Clark County Arts Commission Mission Statement

It is the mission of the Clark County Arts Commission to stimulate participation and growth in the Arts throughout Clark County by:

- Increasing access to the Arts and celebrating the cultural diversity for all Clark County Residents;
- Developing partnerships that strive to promote the Arts industry as viable and significant for community and economic development;
- Supporting outreach programs and activities in the Arts as an integral part of educating the community;
- Encouraging the community to cultivate a thriving environment of creative expression and appreciation for the arts which is beneficial to all.
