

proud past, promising future

CLARK COUNTY  
WASHINGTON

January 6, 2010

Dear Consultant:

It is time once again to update our consultant list for the upcoming year. Please take a few minutes to fill out the 2010 questionnaire and return it to Clark County Purchasing, P.O. Box 5000, Vancouver, WA 98666-5000 or Email back to me.

If nothing has changed for your firm, and you want us to use 2009's statement of qualifications/business resume, I will be happy to accommodate this request. However, if you would like to submit an updated statement of qualifications/business resume, now is a good time to do so.

**Without a questionnaire or business resume for 2010, I will be unable to transfer your records to our updated list of consultants. If I do not receive your updated questionnaire by March 31, 2010, your statement of qualifications for 2009 will be destroyed.**

**Note:** Prior to any contractual agreement with Clark County, vendors shall provide **current** proof of Washington State Registration.

Thank you for your time and assistance in updating Clark County's consultant database. Should you have any questions, please call me at (360) 397-2323.

Sincerely,

*Beth Balogh*
