“Kid’s Fish-In” Event Rules and Guidelines

1. All fishing gear and bait will be provided. No personal fishing gear will be allowed
2. Kids will need to arrive 30 minutes before their designated fishing time to check in and pickup their t-shirts and rods.
3. Once registration has been completed, families will go to a staging area to wait until the beginning of their fishing session.
4. At the beginning of their fishing session, families may then go to the fishing spot of their choice.
5. Kids will be fishing in a netted area, however, catch is not guaranteed. Even though the fish are in a contained area, there are times when the fishing can be slow due to a variety of reasons, such as water temperature. We hope that all participants catch a fish and will do our best to help make it happen.
6. Parents are encouraged to help their children fish, but the child is the one that should be fishing.
7. Once the limit of 2 fish is caught, kids will need to leave the fishing area and proceed to the measuring and cleaning stations. **Catch and release will not be allowed.**
8. **Parking is limited!** Carpool with friends if you can.
9. Registration form must be turned in to the Fish & Wildlife office by 5:00pm, April 2nd. Registrations **will not** be accepted by phone.
10. Time slots are assigned on a first come, first served basis. Once the time slots have been assigned, it cannot be changed.
