### Free Computer Education Resources at Empower Up

*Vancouver, Washington.* Empower Up, Clark County's computer education and reuse non-profit organization is providing the following free computer classes and resources to the public. The Empower Up Education Center is located at 5000 E. Fourth Plain Blvd. Suite E-101 in Vancouver.

#### **Intro to the Internet**

Intended for individuals with little to no computer experience. Learn the basics of finding information online and an introduction to social media (i.e Facebook, Twitter). Classes are small, providing lots of personalized attention.

*Offered weekly, call 360-735-0888 to sign up.*

#### **Online Resume using Linked-In**

Create an online profile using Linked-In. Learn the basics of using Linked-In to promote yourself in today's job market. Learn how to generate a professional looking resume using your Linked-In profile. Classes are small, providing lots of personalized attention.

*Offered monthly, call 360-735-0888 or send an email to [info@empowerupnow.org](mailto:info@empowerupnow.org) to sign up.*

#### **One-on-One Mentoring**

intended for individuals that are ready to start accessing online services. Assistance with creating online email accounts, social media profiles, how-to guides for online purchasing and personal data security.

*By appointment only, call 360-735-0888 or send an email to [info@empowerupnow.org](mailto:info@empowerupnow.org) to schedule.*

### **Free Internet Access**

Twelve free Internet access terminals are available to the public. Includes one MacOS and one Linux OS terminal.

*Hours: 1p to 5p Tuesday, Thursday, Saturday.*

### **Free PC Clinics**

Free drop-in clinics to help with your computer problems. Free PC Clinics are staffed by Clark College Help-desk Students.

*Second Saturday of every month. 10am to noon.*

### **Free Mac Clinics**

Free drop-in clinics to help with your Apple computer problems. Free Mac clinics are sponsored by MacRory.com

*Third Wednesday of every month. 7pm to 9pm.*

Empower Up provides free education resources to help those in need gain access to technology and the Internet. Empower Up accepts both working and non-working computers and other consumer electronics from the public for reuse and recycling. Please call 360-735-0888 during business hours to sign up for classes or get further information by visiting the Empower Up website: [www.empowerupnow.org](http://www.empowerupnow.org).
